Re: Notice of Oral Ex Parte Communication
WC Docket No. 06-10

Dear Ms. Dortch:

This is to notify you, pursuant to Section 1.1206 of the Commission's Rules that Jay Bradbury on behalf of Duke Power, and myself on behalf of the United Power Line Council (UPLC), met on September 6, 2006 with Ian Dillner in Commissioner Tate's office regarding matters related to UPLC's petition for declaratory ruling in WC Docket No. 06-10.

Consistent with its position on the record in WC Docket No. 06-10, the UPLC urged the Commission to classify BPL-enabled Internet access service as an interstate Information Service. This regulatory classification would provide regulatory clarity and parity with cable modem and DSL services.

If there are any questions concerning this matter, please contact the undersigned directly.

Very truly yours,

Brett Kilbourne
